

# TITLE TOOLBOX OVERVIEW

## PREMIER PROPERTY INFO LIKE YOU'VE NEVER SEEN BEFORE!

Title Toolbox is a revolutionary application that enhances the various ways property data can be delivered to you as an Agent or Lender. Title Toolbox is the only application that provides property data in a “Live format”, which is far more advanced than receiving data in an Excel spreadsheet. Property data being “Live”, allows for automatic property updates within your farms, “alerts” on changes within your farms, and the ability to share data between you and your data provider. Title Toolbox offers you the ability to pinpoint the best farming areas self-serve or allows your data provider to do that work for you - and “Share” the work directly into your Title Toolbox Account.
